

ABOUT US

Welcome to Renaissance Events, India's best full-service Event Management Company. Since 1999, Renaissance has met the demanding and ever-changing needs of the entertainment industry. Today we are one of the largest Event Management groups in India, spanning across the entire nation, reaching out to lakhs of people each year.

Renaissance exploded into the event management scene more than a decade ago, and has been shaping up the entertainment landscape with its impressive clientele, extravagant sets, bravura shows and never-before-thought-of concepts. Our clientele benefit from our in-depth experience & knowledge in a number of industries and businesses. We, as experienced experts bear the responsibility to ensure every event from start to finish is designed to make you contented. We look into all the facets that require to be accomplished from the most apparent to the finest nuances that will surpass your level of satisfaction.

A Renaissance event is created by weaving together enthused thoughts with unique venues, artisan purveyors, and custom embellishments. Through our attention to detail and holistic understanding for our client's needs, we are able to provide the highest quality of service all through the complete event process. Whether you're hosting a holiday VIP dinner for ten guests or a forum for thousands, we will leave no detail overlooked. By listening to your company goals and objectives we implement activities that get people drawn in and break down barriers and build relationships. Each event is a custom project, irrespective of size or budget. This is what makes us unparalleled.

Our management timelines are precise, ensuring that you are kept conversant during the entire arrangement process. This involves synchronizing all of the key event essentials till the final completion. Instituted on the principles of excellence, competitive pricing and integrity, Renaissance is committed to achieving success and reputation for its clients.
